History Smokey Glen Farm was originally a small portion of an enormous tract of land called Mitchell's Range, patented in 1762. At that time, this was still Frederick County. Montgomery County was formed in 1776, several months after the Beclaration of Independence. What is now Smokey Glen Farm was divided off from a part of the old tract in 1893, still bearing one of its original borders, the 74th line of Mitchell's Range. Smokey Glen Farm Barbequers, Inc. (formerly called Collegiate Barbequers, Inc.) was founded in 1953 by Dr. George B. Sweet, then a graduate student in agriculture at the University of Maryland. The new company held barbeques at the University's Byrd Stadium football games during the middle 1950s. In 1958, George & Betty Sweet purchased what is now known as Smokey Glen Farm. The farm is named for the face that forms in the morning in the lower lying glens along the edge of the woods. The primary internion with the purchase of the property was to have a diverse farming operation including a state of the art poultry / egg business with 13,000 laying operations. What is now the Barn Area was our first event site back in the late 1950's. The events business really began to take off in the 1950's and the Grove area was developed in 1962. By the mid 1960's, the Sweet sweet acead with a dilemma big or get out altogether. The Sweets decided to go full-time in to the events business and lowed with a dilemma big or get out altogether. The Sweets decided to go full-time in to the events business and closed down the poultry operation in 1965. They revents held at Smokey Glen Farm, we have catered our old-fashioned country barbeques at such locations as the White House for the Prosident of the United States, at the Naval Observatory for the Vice President of the United States, at Wolf Trap, and many other prominent locations. General Information Scheduling

Unlike our policy with groups at Smokey Glen Farm, we accommodate groups at other locations on a first-come, first-served basis. This is necessary because of the uncertainty of you securing a suitable location on a particular date. Due to our busy schedule, rain dates are not available; therefore, provisions should be made for inclement weather. Radius of Operation Smokey Glen Farm Barbequers, Inc. will cater at locations within a twenty five mile radius from Smokey Glen Farm at the prices quoted in this book. Beyond this limit, an additional mileage charge, according to your situation, will be stated separately. Deposits A deposit of \$5.00 per person based on your initial group count estimate is required to hold your date. The minimum deposit is \$750.00. This deposit is non-refundable and will be deducted from your final invoice after your event. Please make checks payable to Smokey Glen Farm Barbequers, Inc. Late Cancellations are a significant hardship to our business. If you cancel your event 12 days or less prior to your scheduled event date, you will be liable for the full cost of the event as it has been planned. Planning Session

It is strongly recommended that we meet with you (and your committee if desired) at your location for a planning session at least six weeks in advance of the date of your event. At this session we can cover all the details of your event. It will also enable us to familiarize ourselves with the location so we can be ready to set up the day of your event. Time Schedule Event site time restrictions may determine your arrival and departure times. Please note that we may require entrance to your area six hours or more before serving. Parks that have an hourly fee charge you starting when the first person (usually Smokey Glen Farm Barbequers, Inc.) arrives. We recommend that your time schedule, including starting and ending time for the serving of the main buffet, be pub-lished to your group in advance. Normally, our staff, equipment and services leave the event site approximately 1½ hours after the main serving ends. It is important to note this in the initial planning stages of your event. If some or all of our staff and equipment are required to stay longer, additional charges may apply. As well, depending on the circumstances and scheduling of your event, overtime service charges may apply if the event (from group arrival to group departure time) is longer than 6 hours.

Serving Regardless of your choice of menu (found in the Menu section), the preparation of your food is our prime concern. All of our cooked foods are prepared over charcoal in view of the group.

Serving time is generally left to your discretion keeping in mind the following guidelines. To ensure the high quality standards of our food, serving time is limited to a maximum of 2 consecutive hours. Daytime event packages afor events serving between 11:30 AM and 4:30 PM. Evening event packages (finner portions) are for events serving between 4:30 PM and 9:00 PM. We recommend that you publicize in advance the starting and ending times of serving. If you use tickets, the serving time should be printed on them (see Tickets - page 5). Our employees serve the chicken – the rest of the menu is served buffet-tyte.

4

Tickets We strongly recommend that groups use an advance ticket system to aid them in giving a more accurate count and to control food distribution the day of the picnic. In order to get a more accurate count, companies may charge all attendees a nominal fee even though the company pays the entire bill for the event. Several groups use these ticket funds solely to buy door prizes.

It is recommended that the tickets be printed with picnic arrival and ending times PLUS STARTING AND ENDING TIMES FOR THE SERVING OF THE MAIN BUFFET. This will preclude people from arriving after the serving lines are closed and not being able to get a meal.

Those groups who have a ticket system provide their own people to collect tickets at the serving line - they know the people they work with and it provides a personal touch. Our policy is not to provide employees to collect tickets. Our em-ployees do not know your employees and could unknowingly give seconds, thereby increasing your chances of running out of food. Conversely, the president of your company could come through the line without a ticket and be refused a meal - both bad situations for you and us.

Guarantee Count Your guarantee count is the total number of adults, children, vegetarian meals (if any) and concessionaires / out-side vendors who will be attending your event. Children four years of age and under need not be counted; children five to eleven years of age should be counted under children's prices; and people twelve and over should be counted as adults. We provide the meals for our own employees at our expense.

It is your contractual obligation to provide us with an accurate, realistic guarantee count for your event. This guarantee count is most important, both for you and us, in that we prepare the stated amount of entrée items for **exactly** the number of people you give us in your guarantee count. We do not add a "fudge factor." An underestimation of your neadount will result in an insufficient amount of food prepared and will cause unacceptable embarrassment to you, your organization and to us and will result in a breach of terms under this contract. As well, you will be charged in full for each additional guest above & beyond your final guarantee count (*physical headcounts are taken at all events – multiple physical headcounts are taken if we suspect there are more guests present than what is reflected in your guarantee count).*

If you anticipate or suspect that there may be unexpected attendees or walk-ins, or you just want to provide for ample seconds, Extra Entrée Servings (*please see "Extra Entrée Servings" - page 17*) may be added on the day the guarantee count is given. In the past, some groups have found it helpful to add extra entrée servings – often representing as much as 10% of their guarantee count. Should these servings be required for full meals, we will be prepared to serve the complete menu at full meal prices. If they go as seconds, you will be billed according to the prices found on page 17. We will ascertain if the extra servings went as full meals or seconds and notify the chairperson accordingly.

If your event occurs on a Friday, Saturday, Sunday, or Monday, your guarantee count is due on **Friday a week prior to** your event. If your event occurs on Tuesday, Wednesday, or Thursday, your guarantee count is due on **Tuesday a** week prior to your event. In order for us to schedule labor and order the food necessary for your event, it is impera-tive to have this guarantee count by 2:00 P.M.

Please note that the guarantee count provided to us the week before will be the minimum number for which your group will be billed. Once you give your minimum count, you may not decrease your number, you may only increase. Any increase in numbers after the guarantee count date will be billed at an additional \$1.00 per person. This charge compensates us for the additional preparation required. For weekday events, increases in your count can normally be accommodated as late as 12:00 Noon two days (36 hours) prior to your event. For weekend events, in-creases in your count can usually be accommodated as late as 12:00 Noon on Thursday.

5

The Day of Your Event Your serving time determines what time we have to be at the area to begin preparing for your picnic. In some cases, it could be as early as 5:00 A.M. and arrangements would have to be made so that we could gain entry to the area at that time. Depending upon your needs, there will be cases where we will need access to the area the day or night before.

When you arrive at your picolic site the day of your event, you will, in med access to the area the day of night before. When you arrive at your picolic site the day of your event, you will, in most cases, find us already engaged in preparing your meal and setting up the facilities. You will be greeted by a supervisor of Smokey Glen Farm Barbequers, Inc. who will review with you the food setup, serving time, your guarantee count number of people and the amount of food being prepared. He/she will also go over any other special arrangements you have made with us. This short get-together should make your day go smoothly.

First Aid We recommend that you provide some type of first aid unit for your event. If your company cannot provide this service it might prove beneficial to contact your local fire station or the contacts listed on page 22 to make these arrangements. Sales Tax State or District Retail Sales Tax will be collected unless your group furnishes a current tax-exempt certificate in ad-vance of your event.

State of Maryland Alcoholic Beverage Sales Tax of 9%. This will be applicable on all alcoholic beverage related charges. Alcoholic beverages will be broken out on your final invoice (even if included in your Event Package) and the tax will be listed separately just below the MD State Sales Tax on your final invoice.

State of Maryland Admissions and Amusement Tax - Services such as Moonbounces, Hayrides, Bingo, etc. are sub-ject to up to 7% MD State Amusement Tax which will appear on your final invoice as a separate line item. The services that are subject to this tax will be noted with an asterisk on your final invoice. Please refer to the Services Section or speak with your event manager to reference the services subject to this tax. Billing We will contact you after your event to follow-up. Any feedback that you have is most welcome and greatly appreciated -regardless of how insignificant it might seem. We set very high standards for our facilities, food, services & staff - your feedback is essentiat to maintaining these high standards.

An itemized invoice will be <u>e-mailed</u> to you within a few days after your event. If you have any questions or issues with your invoice, please call us right away. **Payment is due upon receipt of the bill** and no later than three weeks after the date of your event. Please note that 1/% interest per month (18% annually) will be charged on all past due accounts. In addition, overdue accounts will be assessed a late charge of 5% (minimum \$50.00).

We accept Visa, MasterCard, Discover and American Express primarily for deposits and for final invoice pay-ments of less than \$4,000. All final invoice payments in excess of \$4,000 shall be paid by check or electronic funds transfers (EFT) / ACH. Please contact our Office Manager, Sherry Wilcox to request electronic payment instructions.

If Smokey Glen Farm Barbequers, Inc. is required to retain an attorney to collect these charges, the customer is responsible for all costs of collection. Insurance

Types of Events and Menus This section of your section that the preparation of your food is our prime concern. The atmosphere presented by charcoal cooking in view of your group is a highlight of the day. This section contains the types of events handled and event packages offered by Smokey Gien Farm Barbequers, Inc. Child pricing is based on ages 5 –11 years old. In all cases, billing is for the entire group on a per person basis.

Prices quoted include the full menu listed along with napkins, plates, utensils, condiments and cups. All prices are sub-ject to the state/district sales tax. If your group is tax exempt for state sales tax, a copy of the tax-exempt certificate must be furnished before your event. Charges for mileage within our normal operating area are included. Any catering fees charged by the facility will be billed to the client. When the event location is beyond our normal limits (25-mile radius from Smokey Glen Farm), additional charges will be stated separately.

We cook and serve at the site, furnish all serving tables and remove all debris from the cooking and serving area only. For an additional charge, we can provide other types of clean up service. www.smokeyglenfarm.com

Send progressively frequent e-mail reminders. Publicize your event on the employee area of your company website Place posters and announcements in common staff locations such as dining areas and staff lounge areas Place notices & reminders in payroll envelopes, staff newsletters & otherwise unrelated e-mails. A great way to get people excited about the picnic is to create & promote inter-departmental competitions on the day of the event – softball, volleyball, field games, scavenger hunts, etc.

Make the RSVP process as easy & simple as possible. An e-mail based RSVP system seems to be the easiest & most effective method.

7 Helpful Tips for Promoting Your Event To ensure that your company picnic is a well attended event it is important that the chairperson and the commit-tee make every effort to promote the event as soon as it is booked. As soon as you know the date of your picnic, send a "save the date" e-mail or card to all of your prospective guests.

 Is electricity available? · What type of athletic facilities are available or are suitable areas available for impromptu facilities? Can the area be reserved? How? (Is a permit required?) • Are any fees charged by the facility to the group or caterer? Is the area closed to outsiders? Is the parking adequate? • • Is there any area suitable for charcoal cooking?*

Is it accessible by truck?* Does the area have adequate seating?

Incorporate awards and other recognitions in to the picnic.

- Does it have restroom facilities? (Portable units are acceptable.)* Are trash receptacles and is trash removal service available?

- Does the area have any type of water supply?*

Does it have any type of cover in case of inclement weather Are alcoholic beverages allowed? (Is a permit required?)

Is there a limitation regarding the earliest time a caterer can enter the area?
